

Volunteer Opportunity! Help us in helping young children reach their potential!

The Strong Start Letters, *Sounds and Words* Program is offered at St. Teresa and we are looking for volunteers to help in the 2023/ 2024 school years.

Volunteer Coaches work one on one with senior kindergarten and grade one children who would benefit from an extra boost in early literacy skills. Through activities and games, you will support them in learning the names of letters, the sound each letter makes, how to learn words by sight and how to learn a word by using the sounds of its letters.

Help a child develop reading skills by volunteering for a minimum one hour per week over the ten weeks of the *Letters, Sounds and Words* program. You will take part in two, two-hour training sessions, and be expected to meet the WCDSB volunteer requirements including a WRPS Criminal Background / Vulnerable Sector Check.

Training sessions are now being offered for our program.

Please consider your gift of time to our school community!

For more information visit www.StrongStart.ca. To show your interest as a volunteer or if have any questions please contact the school office.

Sincerely,

Christopher Luciani
Principal
